Consultations			

At Katebloom we carry out complimentary in-depth consultations to discuss skin tone (warm or cool), colour changes, techniques and advise on all aspects of hair colouring.

New colour clients are required to have a skin allergy test at least 48hrs prior to your initial treatment.

The skin test is to ensure there is no skin reaction to the products we use. This is done for your safety and can be carried out at the salon in just a few minutes.
